Watkins Services, Inc. has been serving the construction needs of the Carolinas since 1978. During that time we have become the industry leader; assisting construction litigation attorneys, with our unique highly specialized construction services. At Watkins Services, Inc., we are an unlimited general contractor, licensed, bonded, and insured; able to serve your needs no matter how large or complex. Some of our areas of expertise include:

- ✓ Expert testimony for construction defect cases, backed by decades of industry experience
- ✓ Recognized as experts in numerous federal and state courts
- ✓ Detailed itemized cost estimates and repair scopes
- ✓ Expert assistance to attorneys during mediations, depositions and arbitrations
- ✓ Expert assistance to engineers during forensic inspections and destructive testing
- ✓ Full project consulting, management, and remediation
- ✓ Detailed project documentation using before, during, and after digital photographs in conjunction with daily written reports
- ✓ Water and termite damage remediation
- ✓ Specialized and integrated waterproofing, coating, membrane and flashing systems
- ✓ Fire Retardant Treated material remediation
- ✓ Building envelope inspection
